STAFF REPORT

- **TO:** Board of Commissioners, Housing Authority of the County of Merced
- **FROM:** Melina Frederick, Director of Development & Asset Management
- **DATE:** May 16, 2023
- **SUBJECT:** Update on Migrant Center Broadband Internet Access

On March 2023 Board of Commissioners meeting, it was reported that the Office of Migrant Services (OMS) announced that a grant had been awarded to OMS in the amount of \$6 billion for the installation and management of fiber optic broadband internet services for the 24 Migrant Center camps located in California.

The Housing Authority of the County of Merced (Authority) issued Request for Proposals (RFP) on March 17, 2023, soliciting internet service providers for services needed to provide gigabit fiber optic internet at each of the four (4) Migrant Centers in Atwater, Merced, Planada, and Los Banos. The work includes but is not limited to: trenching for the routing of fiber optic cables, installation of network equipment within the center, installation of wireless access points, and a flat rate internet service plan for up to three (3) years.

The Authority sought sealed proposals as required by the Authority's procurement policy by conducting wide-spread advertising both electronically and physically as well as sending notifications and proposal packets to the local Central Valley Builders Exchange. Proposals were received on April 12th. The Authority's recommendation has been submitted to OMS. OMS is currently in the process of conducting their final review and is expected to provide their award recommendation to the Authority which will be presented to the Board of Commissioners June 2023 meeting.
