**IFB #2021-12: Roof Replacement AMP #4**

**ADDENDUM #1**

July 10, 2021

Question (Q) and Answer (A):

1. Q: Will there be a site walkthrough?

A: No, there will not be a site walkthrough.

2. Q: Should "Tab 7" show (Attachment **#12**) instead of Attachment 11 as an optional form in "Section 3 – BID SUBMISSION REQUIREMENTS - page 5 of 11?"

A: The "Vendor/Contractor Information" optional form is actually Attachment #11, but the document does mistakenly say Attachment #12 in the header. Attachment #12 is the Site Map.

3. Q: Can the required bid bond be submitted using a Contractor's standard surety form?

A: Yes, please refer to page 8 of 11 number 15, "Guarantee and/or bonds" for more information regarding bonds.

4. Q: Are the "Section 3 Forms" and "Vendor/Contractor Information" form optional per page 5 of 11 mentioned above?

A: Yes, those are optional forms.
